

Dump Pages

Printing Instructions

I'm so happy you grabbed my A5 dump pages, momma! I created these years ago, when I more ideas than I did time. 😊 I'm happy to share them with you now - I hope they help you to get a few ideas out of your head and down on paper!

It is best to print these pages out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your pages a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
