

Yearly Review Questions

Printing Instructions

I'm so happy you grabbed my A5 yearly review questions, momma! I created these years ago, when I was trying so hard to monetize my blog. I'm happy to share it with you now - I hope it helps you meet your goals as well!

It is best to print these pages out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your pages a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
