

Monthly Budget

Printing Instructions

I'm so happy you grabbed the monthly budget, momma! I really hope it helps you to tell your money where to go every month! 😊 I recommend you create a new budget every.single.month. Literally.

It is best to print it out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your pages a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
