Printing Instructions

I'm so happy you grabbed these birthday tags, momma! Sometimes you need a quick tag because you don't have a card. I hope these tags do the trick for ya!

It is best to print them out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but cardstock makes them look more elegant.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
