

Content Planner

Printing Instructions

I'm so happy you grabbed my content planner, momma! I created this when I was balancing blog posts, client posts, and guest posts. It got to be a bit much! I hope these pages help you to balance it all as well.

It is best to print them out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your pages a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
