Daily Plan

Printing Instructions

I'm so happy you grabbed a copy of my daily plan, momma! I have a million different planners and layouts, and I love to switch between them every so often. LOL. This one is one of my favorites though! I hope it helps you to organize all your daily things, momma!

It is best to print it out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your checklist a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommas.com. I'm happy to help!
