

Financial To Do Checklist

Printing Instructions

I'm so happy you grabbed my financial to do list, momma! I created this checklist for my husband and I, when we decided to make changes to the way we handle our money. We set goals, and assigned tasks to each of us, to meet those goals. I hope this checklist helps you and your husband to meet your financial goals as well.

It is best to print this checklist out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your page a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
