

Minimalist Notes

Printing Instructions

I'm so happy you grabbed these note pages, momma! Sometimes you just need to jot a few things down, am I right?!? 😊 I hope these pages help you to clear your mind so you can focus on what really matters.

It is best to print them out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your page a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
