

Passwords Log

Printing Instructions

I'm so happy you grabbed this passwords log mamma! It is so hard to remember the gazillion different usernames and passwords we all need, for everyday life. I hope this log helps you to keep it all straight.

It is best to print it out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your page a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
