Printing Instructions

I'm so happy you grabbed this recipe binder mamma! I really hope it helps you keep all of your recipes organized neatly. I use mine for all the fun recipes I find on Pinterest - and the ones my mom keeps printing out for me. 😊

It is best to print this out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your page a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
