

Simple Monthly Budget Planner

Printing Instructions

I'm so happy you grabbed my the simple monthly budget planner, momma! I really hope it helps you decide whether or not you can stay home with your babies.

It is best to print it out on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your pages a more luxurious feel.

If you have any questions at all, or need someone to bounce some ideas off of, email me at shannon@makingmommamas.com. I'm happy to help!
