

Back to School Budget Planner

Printing Instructions

I'm so happy you grabbed the back to school budget planner! I really hope it helps you to create and stick to your back to school shopping budget, momma.

It is best to print it on letter-sized paper. Keep in mind that different printers may make the colors look different. You can print on any paper, but a 28 lb gives your page a more luxurious feel.

If you have any questions at all, email me at shannon@makingmommamas.com. I'm happy to help!
